Musser Scout Reservation

Hart * Delmont * Garrison

Dear Leader,

Welcome to the Musser Scout Reservation. Once again, the summer camping season is upon us. Our staff has spent a considerable amount of time preparing for your visit to camp. It is our hope that we are prepared to meet your needs and the needs of your Scouts. We have cleaned up and have even talked to all the animals who live here in an effort to provide an environment any Scout would love to spend a week in. A week where the **Scouting Spirit** is alive and well.

On Sunday, you will be warmly greeted and we will roll out our camp welcome mat. We hope your check in will be smooth. We will conduct your medical recheck, and conduct a camp site inspection with you. All this will lead up to our evening flag ceremony and meal.

Your week will be filled with an opportunity to take a swim, row a boat, fire a BB gun, sing a song or meet a new friend. All this done in the true **Scouting Spirit**. Yes, there is time to take a hike or throw a fishing line in the lake. Who knows, the big one may not get away this year.

Use this leaders' guide as the first step towards planning a successful week. It contains the information you need to take advantage of everything the camp and staff have to offer. We hope your week is enjoyable to you, your leaders and of course your Scouts.

Our staff is ready to assist you and to make your week a fun filled experience. Once again, thank you for coming to the Musser Scout Reservation, we look forward to spending time with you.

See You at Camp,

Jerry Whartenby
Reservation Director

The Cubmaster must know of Scouts who need special attention due to physical handicaps or personal problems (hearts disease, excessive shyness, allergies, etc.). Please share these special attentions with the camp director.

LAW OF THE CAMP - Is the Scout Law. Simple, yet all inclusive.

All requests for refunds must be in writing and submitted to the Cradle of Liberty Council Camping Office prior to arrival. Refunds will be issued to the Unit Leader only.

CAMP LEADERSHIP: It is the policy of the Boy Scouts of America that at least two (2) adult leaders, one of whom must be 21 years of age or older, attend summer camp with your pack. Ideally, the Pack Cubmaster is the best choice for camp Cubmaster. The second adult in camp can be an Assistant Cubmaster, Pack Committee member or Parent. All adults staying in camp must be registered with the Boy Scouts of America.

CAMPSITE INSPECTIONS - Your Camp Staff will perform a daily campsite inspection. Inspections will be primarily focused upon the following:

A good time to discuss this is at our 21 day meeting.**

FIREWORKS: They are prohibited in camp and are against the law in the Commonwealth of Pennsylvania.

FISHING: Please check with the Nature Director for the best fishing in camp.

FLAG CEREMONIES: Reverence to country and respect for the flag is very important at Musser Scout Reservation. Each Pack is encouraged to conduct their own flag ceremonies in their campsite and ALL PACKS are to attend the campwide flag ceremony.

HAZING AND INITIATIONS: This does not belong in a SCOUT CAMP. Scout leaders will see to it that all campers are properly oriented and assisted to get the most out of their camping experience. Each leader needs to insure that hazing and initiations are not permitted and are not a part of your camp agenda. Report all incidents to the Camp Director.

LANTERNS - It is best to use battery powered lanterns around Cub Scout age youth.

LIQUID FUEL - Liquid fuel lanterns and stoves are permitted under **trained adult supervision**. Fuel must be stored in proper containers and in a secured box.

LITTER - Please do not litter and do your good turn by helping to pick up litter should you see any.

LOST AND FOUND - Articles found should be brought to the Administration Building. Likewise, article lost may be inquired about at the same place. Unclaimed articles will be disposed of at the end of the week.

MAINTENANCE: Windows, bunks, mattresses and other camp equipment are expensive to replace. Care for them as you would your own property. Small rips in mattress covers and broken anything should be reported immediately. When camp property is damaged, a charge will be made to cover the necessary repairs or replacement.

NATIONALLY ACCREDITED CAMPS: The National Council of the Boy Scouts of America establishes nationwide standards designed to assist councils in conducting a safe, quality camping program. As part of the accreditation process, the National Council ensures that these minimum standards are met at camp. The Cradle of Liberty Council will continue to meet or exceed these standards in an effort to provide the best possible camping experience for the scouts and leaders attending our camps.

OUT OF CAMP TRIPS: If a Scout or Leader is leaving camp, they must stop by the camp office and sign out in the "Out Of Camp" log. Returning groups need only send one representative to the camp office to check in.

PERSONAL EQUIPMENT: Please have your Scouts make a list of all material and equipment they bring to camp. Mark all items. Parents will be happy when their sons return home with all their original equipment. Keep valuables locked up! We do not accept any responsibility for valuables stored and or lost.

PETS: Sorry, Pennsylvania State law will not permit pets in camp by campers or leaders.

PROHIBITED: All forms of alcoholic beverages, narcotics, depressants, stimulants, drugs and sheath knives in any form are prohibited. Violators, whether youth or adult campers, will be asked to leave camp. Nonalcoholic Beer may encourage underage or irresponsible use of alcoholic beverages. Please do not bring or allow use of non-alcoholic beer.

RIFLE AND ARCHERY EQUIPMENT: Please note the following statement: Our camp provides all firearms and archery equipment. Individuals may **NOT** bring BB guns, rifles, shotguns, hand guns or archery equipment into camp. **NO** ammunition of any kind may be brought into camp.

TELEPHONE: A pay phone is available outside of the Camp Office for general use. Camp adults should monitor their youth campers use of the phone. For emergency calls, a camp leader should report to the Administration Building. Incoming calls for campers should be for emergencies only.

TRADING POST - The Trading Post is maintained for the campers convenience. Candy, ice cream, soft drinks, and camp necessities are available for sale.

TRASH - All trash is to be disposed of by your unit. Please take all trash bags to the dumpster located in the parking lot.

UNIT ROSTER - Fill out completely, listing all your campers, giving name, address, zip code and telephone number. Make sure all names of campers that are on the list and did not come to camp are crossed off. If they are not taken off the roster we will count them as being in camp and you will be charged for them.

UNIT SITE CAPACITY - Each unit site has a definite size regarding camper capacity. This is done to accommodate small and large units alike. The Camp Director reserves the right to transfer a unit to a site that would best fit the unit.

UNIFORM - The full Scout Uniform, correctly worn, is proper at any time, but should be worn at the evening flag ceremony and meal. If you have a costume to go with the theme of camp this too is proper at these times. Some Scouts may not have a uniform, through no fault of their own and we understand this. Shoes or some type of adequate foot gear must be worn at all times as a matter of safety, especially to prevent puncture wounds that could prevent swimming.

VESPERS: are held at camp. Please make every effort to ensure that your unit attends these services. Remember, a Scout is reverent.

VISITORS - All visitors must sign in at the Camp Office immediately upon arrival. Visiting Scouters desiring meals in the camp can be accommodated if the camp is notified 24 hours in advance. THE CAMP GARRISON PROGRAM

This is the third season for Camp Garrison already, time sure does fly when you are having fun, fun, fun. These are wonderful times to be involved in Cub Scouting in the Cradle of Liberty Council.

Please note that we have already preregistered three dens (A, B, C) for each theme area for daily aquatics and weekly sessions at the BB and archery ranges, the newly created wood tools and handicraft area, the nature area (called the Tree House), and the Huck Finn raft area, along with our new sports program and fitness area. We will be using the pool and waterfront area at Camp Delmont, so be prepared for a bus ride each day.

If you had a tough time deciding what these area you wanted to live in at camp this summer, know that you will have lunch each day and participate in the flag lowering each evening at a different area.

There will be program activities presented at meal times each day. This will help keep our Cubs occupied while meals are attractively presented after being transported up from the main dining hall.

Your help during meal times and traveling with the Cubs to program areas will be Expected and greatly appreciated. We consider all leaders as part of the staff and know that you will make every effort to fulfill that role in camp. We also hope that you will tell us how we can help your Cubs have one of the happiest, memorable times of their lives.

I can't wait to meet you in camp.

Jean Lynch
Administrative Director

HEALTH AND SAFETY

HEALTH SERVICES & MEDICAL INFORMATION

A current health history (within 6 months - completed by parents) and a physical examination (within 3 years) by a licensed physician is required. Adult leaders 40 years of age and older at camp longer than 72 hours must have an annual physical examination. Health histories and physical examinations are kept on file in camp. The health form will not be returned to you at the end of camp.

Use health form number 4414 and 4412A for adults 40 and over - available at the Camping Department.

Upon arrival at camp, health history forms will be screened by the camp Medic.

The health history form which includes an authorization for emergency treatment, must be signed by a parent in two places. Double check to see that all information and required signatures are included. A properly signed Grand View Release form must also be submitted.

A fully equipped Medical Lodge is provided at camp. A trained first aid person is on duty at all times. Serious injuries or illness requiring hospitalization will be transported to the nearest hospital where we have a stand agreement for treatment.

A Scout or Leader who does not have a health history, staying at camp more than 72 hours, not signed by a doctor **may not** stay in camp.

Physicals will not be given at camp.

FIRE PREVENTION

SMOKING: Because it is a bad example for our Scouts and because of fire danger, smoking is discouraged among leaders while in camp. If leaders must smoke they are asked not to smoke in the woods, on the trails, or in front of the scouts. Each camp has designated smoking areas.

FIRES: All fires in camp must be contained in the fire pit located in each area. No ground fires will be permitted or tolerated in any of the facilities at camp. The fire pit must be supervised by adults at all times. No water is to be put into the pit itself, only put the lid on and the fire will burn itself out. Make sure you use the tool that comes with the pit when placing and removing lid. Our summer camp operations provide these tools. At times you will not be allowed to have fires at camp because of extreme fire danger.

LANTERNS: It is best to use battery powered lanterns, not liquid fueled light. This is common sense in fire prevention. **Remember:** No flames of any kind in buildings.

TICKS:

Whenever a tick is found embedded in a Scout or Scout Leader, he/she is to report to the Health Lodge.

1. Only the camp Health Officer is to remove a tick.
2. Follow the directions given by the Health Officer for keeping the tissue surrounding the area of infestation clean.

LIGHTNING:

All Aquatics activities will be suspended during a **Lightning** or **Thunderstorm**, if you are on a river trip or at the boathouse, return to the shore and comply with the following.

1. Secure canoes, boats, or other aquatic crafts. Seek shelter indoors or in a low area away from solitary trees, rock formations, high ridges, wire fences, telephone or electric lines or open fields.
2. Complete a head count if traveling as a group.
3. Stay in place until lightning or thunder has completely passed.
4. During high water periods, the CAMP DIRECTOR or CAMP RANGER will notify units and suspend lake activities. If your unit is on a river trip and conditions change to very fast or high water, beach and comply with the following:
 - a. Secure all canoes, boats, or other aquatic crafts.
 - b. Seek ground safely away from the waters' edge and high enough from any rising waters.
 - c. Notify camp of your location and stay put until picked up or conditions return for safe river passage.

CAMP EMERGENCY PROCEDURES

ACCIDENTS AND INJURY: *All accidents whether major or minor must be reported to the Health Lodge. Should hospitalization be necessary, we have agreements with local ambulance service and local hospitals. Check into the Health Lodge before taking someone to the hospital.*

MAJOR ACCIDENTS AND EMERGENCIES: *The Camp Director is to be notified immediately, or in his absence, the Camp Ranger. Present all facts known. Do not make statements to an outsider, and refer all inquiries from the press to the Camp Director and/or Council Public Relations Director.*

IN CASE OF A FATALITY: *Notify the Camp Director immediately.*

SEVERE STORMS: *In the event of impending hurricane, tornado, or severe wind storm, everyone will be notified. If instructed, tents are dropped and covered with cots. Have all personnel report to a building that has been designated as a storm shelter.*

FLOODING: *Seek high ground and shelter, if possible, immediately. In case of a flood warning, we will keep you posted so that evacuation can take place if necessary.*

LOST CAMPER: *Unit Leaders should be aware of approximate locations of all Scouts at all times. Periodic head counts are advised. If a Scout is found missing following a search of the campsite, inform the Camp Director. If necessary, the entire camp will assemble to begin a systematic search.*

LOST SWIMMER: A Buddy Check will be called. Each swimmer will sit on the edge of the pool, holding his buddy's hand raised up. A visual check of the bottom will be made. A count will be taken to see that the buddy tags on the buddy board agree with the actual number of swimmers in their respective swimming areas. If a tag is on the board, and the swimmer is not at the pool, a runner will be sent to his campsite. If not found, the Lost Camper procedure will begin.

- A) **Capsized Boat:** If a boat is capsized and no Scouts are in sight, the Boathouse Director will notify the Aquatics Director and Camp Director. The Director will begin Lost Camper procedures as all other program areas are closed and the staff reports to waterfront for Lost Bather Search.
- B) **Missing Boat:** If a boat has not been checked in and the buddy tags are still on the board, the Aquatics Director and Camp Director will be notified immediately. The camp will begin Lost Camper procedures.

CHILD ABUSE: Scout Leaders should keep a close watch on Scouts for signs of abuse. If any form of child abuse is suspected, you should contact the Camp Director IMMEDIATELY. Do not take action on your own! Be prepared to provide the following information:

- A) Child's Name
- B) Unit Number
- C) Type of Abuse Suspected
- D) How You Came About This Information

Follow the instructions given by the Camp Director!

EMERGENCY TELEPHONE NUMBERS: Every telephone that is capable of dialing out of camp must have posted nearby a printed list of local police and fire departments, physicians, hospitals, State Police, Ranger's home, Council Executive Personnel, Regional Office, and the National Headquarters.

HAZARDOUS CHEMICAL SPILLS: In the event of a chemical spill, contact the Camp Director IMMEDIATELY. Close off the area around the spill. Do not attempt to clean up the spill. Wait for the directions of the Camp Director

OTHER: Treat any other emergency with common sense and take appropriate action using the guidelines above. For any contingency not covered and in question, contact the Camp Director only.

WHAT TO DO IN CASE OF FIRE:

1. **SIGNAL:** Continuous buzzing of the fire alarm at the health lodge.
2. If you see a fire, report it to the Health lodge immediately. If no one is at the Health Lodge then report to the the Trading Post, or to the staff at your area area if at night. State the exact location and nature (gas, wood, brush, etc.) of the fire.
3. Upon hearing the alarm, all Scouts and Leaders are to report to the Pavilion in the parking lot where you met at check in. Assemble orderly at your designated Pavilion under the direction of the unit leader. The camp staff will ask for an accurate unit count and then give further instructions. At all times Scouts are to avoid the fire while in route to the Parking Lot.
4. The Camp Staff will fight the fire using equipment found at the designated fire stations located at various spots in camp. No camper is to attempt to put out a fire on his or her own.
