VIDEO RENTAL SUGGESTIONS _____

Kids 3 Hour lesson programs are sign-in/sign-out with extra ski instructor supervision. I'm told children will be grouped by ability. All other lessons are drop off and pick-up at the lesson area

**** KIDS 3 HOUR LESSONS**

After receiving your ski tickets on the bus, go straight to the designated KIDS school (SNOW MONSTERS) and sign in your child. They will be equipped there. Then you can go to the main rental area to pick up your (parent) rental equipment.

Snow Tubing: You have 2 options, both purchased at the snow tube ticket booth: 3 hours for \$20: sessions are from 10-1 or 1-4 OR all day for \$35.00.
