DVD Movie Suggestions: _____

Kids 3 Hour lesson programs are sign-in/sign-out with extra ski instructor supervision. I'm told children will be grouped by ability. All other lessons are drop off and pick-up at the lesson area

**** KIDS 3 HOUR LESSONS**
 After receiving your ski tickets on the bus, go straight to the designated KIDS school (**SNOW MONSTERS**) and sign in your child. They will be equipped there. Then you can go to the main rental area to pick up your (parent) rental equipment.

Snow Tubing: You have 2 options, both purchased at the snow tube ticket booth: 3 hours for \$20: sessions are from 10 AM-1PM or all day for \$35.00.
