

Cub Scout Pack 2 News

Wildlife Belt Loop

At this month's Pack meeting, we have a special guest from White Clay Creek State Park to teach us about Wildlife Conservation. This is one step towards the Wildlife Conservation Belt Loop and Pin. To see the rest of the requirements go to the Pack 2 web page (www.cubpack2.org), then forms, Academics and Sports Program Details, then Wildlife.

You can also find the requirements for the Marbles Belt Loop that we worked on last month.

The web mail contact lists are being updated. Check your contact information at the Pack meeting to be sure it is correct. Email is our main form of communication on Pack event details and you don't want to miss a thing.
